Bioworld Technology, Inc.

Recombinant Murine Eotaxin/CCL11 (rMuEotaxin/CCL11)

Catalog Number: PR2013

Source: Escherichia coli.

Quantity: 5µg/20µg/1.0mg

Description

Eotaxin also called CCL11 is a CC chemokine that signals through the CCR3 receptor. It is produced by IFN-gamma stimulated endothelial cells and TNF-activated monocytes. Eotaxin selectively chemoattracts eosinophils and along Eotaxin-2 and Eotaxin-3, plays a key role in the regulation of eosinophil recruitment in the asthmatic lung, and in allergic reactions.

Molecular Weight:

Approximately 8.3 kDa, a single non-glycosylated polypeptide chain containing 74 amino acids.

Purity:

>95% by SDS-PAGE and HPLC analyses.

Biological Activity:

Measured by its ability to chemoattract mouse CCR3 transfected BaF3 mouse proB cells.

The ED50 for this effect is typically 1-5 ng/mL.

Physical Appearance:

Sterile Filtered White lyophilized (freeze-dried) powder.

Formulation:

Lyophilized from a 0.2µm filtered concentrated solution in PBS, pH 7.4.

AA Sequence:

HPGSIPTSCCFIMTSKKIPNTLLKSYKRI
TNNRCTLKAIIVFKTRLGKEICADPKKK

WVQDATKHL DQKLQTPKP

Endotoxin:

Less than 1EU/µg of rMuEotaxin/CCL11 as determined by LAL method.

Reconstitution:

We recommend that this vial be briefly centrifuged prior to opening to bring the contents to the bottom. Reconstitute in sterile distilled water or aqueous buffer containing 0.1% BSA to a concentration of 0.1-1.0 mg/mL. Stock solutions should be apportioned into working aliquots and stored at <-20°C. Further dilutions should be made in appropriate buffered solutions.

Storage:

This lyophilized preparation is stable at 2-8°C, but should be kept at -20°C for long term storage, preferably desiccated. Upon reconstitution, the preparation is stable for up to one week at 2-8°C. For maximal stability, apportion the reconstituted preparation into working aliquots and store at -20°C to -70°C. Avoid repeated freeze/thaw cycles.

Usage:

This material is offered by USA Bioworld biotech for research, laboratory or further evaluation purposes. NOT FOR HUMAN USE. Made in China
